RETURN of the WITCH LORD™
The adventure continues! Return of the Witch Lord is an expansion set used with your original Hero Quest Game System. You must have the Game System in order to play the adventures in this booklet.

Contents:
8 Skeletons, 4 Mummies, 4 Zombies, cardboard tile sheet

Cardboard sheet includes:
1 Two-sided Iron Door
1 Two-sided Wooden Door
1 Throne Room Tile
4 Coffin Tiles
6 Blocked Square Tiles
2 Pit Trap Tiles
4 Secret Door Tiles
1 Revolving Room Tile
1 Death Mist Tile

All cardboard components should be carefully removed from the cardboard sheet. New game components are described at right and on the following pages.

New Components:

Door Assembly
Take 2 plastic door stands from the Game System. The 2 new doors in this Quest Pack should be folded and fitted into the door bases as shown at right. These doors are described below.

Iron Entrance Door
This iron door is placed on the edge of the gameboard in many of the Quests. Heroes line up outside the door to begin these Quests.

Wooden Exit Door
In most Quests, this special wooden door is used to exit the gameboard at the end of a Quest.

Death Mist
This mist is a deadly breath of Chaos which will harm all who are not evil.

Coffins
The 4 coffins may be used as tombs. They may contain an undead creature and/or a treasure. They may also have traps on them.

Revolving Room
The revolving room is used to disorient the Heroes. You never know which door you’ll be using to leave this room.

Throne Room
The large throne room is used by evil rulers such as the Witch Lord.

Note: The smaller illustrations shown with each component above are Quest map symbol references. These symbols are also the exact size needed for the blank “create your own” Quest map provided in the Game System Quest Book. All you have to do is photocopy the symbols and cut these out.

When creating your own Quest adventures, you may use these components in any way that you can imagine.
The 5 remaining artifact cards are called spell scrolls. These scrolls are used just like the spell cards in the Game System. However, a spell scroll can be used by ANY Hero (not just the Wizard and Elf) who finds one.

When a spell scroll is found, the Hero should record it on his Character Sheet. After the scroll has been used, it must be crossed off the Hero’s Character Sheet.

Note: Heroes who have artifacts are allowed to give them to other Heroes.

New Artifact Cards (continued)

• Anti-poison Quill: This rare, hollow quill contains a mysterious substance that counteracts any type of poison. This antidote will restore Body Points lost by poisoning if used immediately by the owner. The quill must be crossed off the Hero’s Character sheet after it is used.

• Rabbit Boots: These magical boots give their wearer a greater chance to jump over 1 discovered trap per turn. A Hero can successfully jump a trap by rolling anything but a Black Shield on 1 Combat Die. (However, if a Black Shield is rolled, the trap will be sprung and the Hero will suffer the body damage caused by that particular type of trap.)

• Arm Band of Healing: The wearer of this magical arm band can restore 2 of his lost Body Points once per Quest. If the wearer’s Body Points are reduced to zero, this artifact can be used immediately to restore 2 Body Points as long as it has not already been used in that Quest.

3. Treasure
To eliminate conflicts among the Heroes, large Gold Coin treasures found in treasure chests should be divided among all surviving Heroes.

4. New Artifact Cards
These new cards are found on the last page of this Quest Book. Cut out the cards from the page, or if you prefer, make two copies of that sheet and then cut them out of one.

The following 5 Artifact Cards are used just like the artifacts in the Game System. When a Hero finds an artifact, he should record it on his Character Sheet. Unlike most artifacts in the Game System, however, some of these artifacts must be crossed off the Hero’s Character Sheet after they are used.

• Magical Throwing Dagger: When thrown at a monster that a Hero can see, this dagger always hits and inflicts 1 Body Point of damage. The monster cannot defend. The dagger must be crossed off the Hero’s Character Sheet after it is used.

• Dust of Disappearance: If a handful of this dust is tossed on any Hero, that Hero may move past any monster encountered on his next turn. The dust must be crossed off the Hero’s Character Sheet after it is used.
A Message from Mentor

Worthy companions, we must act fast. The Witch Lord is not dead! He managed to escape to the fallen city of Kalos. Many years ago, this beautiful city was destroyed by Zargon and given to the Witch Lord to rule. Beneath the ruins, he built a great stronghold, for the light of day was too pure for his foul creatures to endure. Once the Witch Lord’s strength has fully returned, he will gather his army of undead and attack the Empire. Only Heroes with great courage dare stand against the Witch Lord. His vile warriors know no fear and will fight relentlessly until they are destroyed.

Many days of travel have brought you across the parched Plains of Death. The journey has been hard, for the land here is scorched and barren. Finally, you have reached the great ruins of Kalos. Throughout your trek, you have felt an uneasy presence. The Witch Lord has been watching your progress, awaiting your arrival. As he sits upon the High Throne of Kalos, he can see all who approach. No one can escape his gaze.

If the Witch Lord is not stopped soon, he will be joined by Skulmar, Captain of the Forgotten Legion and by Kessandria, the Witch Queen. If these two sit alongside the Witch Lord, it is said that the bones of all fallen warriors will be summoned together under the Black Banner.

It is up to you, brave Heroes, to destroy the Witch Lord once and for all. When you need my guidance, listen deep within yourselves.

Mentor
The 2 doors marked “A” are false doors. They cannot be opened. The first player to search for treasure in this room will find 2 pouches on the mantle above the fireplace. Each pouch contains a handful of the Dust of Disappearance. (See the new Artifact Card.) The first player to search for treasure in this room will find 200 Gold Coins in the chest. The pouches may be divided between 2 Heroes.

The monsters in these 4 rooms have been warned of the Heroes’ arrival and have prepared an ambush. When a Hero first enters any of these rooms, all monsters in all 4 rooms will be activated and all doors in the 4 rooms will open immediately.

At the beginning of each Quest, there is a message on parchment from Mentor. This message should be read aloud to all players. However, the Quest notes that follow are for Zargon’s eyes only!

**Quest 1**

**The Gate of Doom**

“The entrance to the Witch Lord’s stronghold is not hard to find, for no attempt has been made to disguise it. The outer gate lies open and you see evidence that many creatures have passed through in the last few days. You must work your way through treacherous tunnels to find the Gate of Doom. Your destiny lies beyond. Tread carefully my friends. The enemy has had many days to prepare your welcome.”

**NOTES:**

A. The 2 doors marked “A” are false doors. They cannot be opened.

B. The first Hero to search for treasure in this room will find 200 Gold Coins in the chest.

C. The monsters in these 4 rooms have been warned of the Heroes’ arrival and have prepared an ambush. When a Hero first enters any of these rooms, all monsters in all 4 rooms will be activated and all doors in the 4 rooms will open immediately.

D. The first player to search for treasure in this room will find 2 pouches on the mantle above the fireplace. Each pouch contains a handful of the Dust of Disappearance. (See the new Artifact Card.) The pouches may be divided between 2 Heroes.

Wandering Monster in this Quest: Chaos Warrior
Place the Revolving Room tile on the gameboard as soon as one of the doors numbered 1-4 has been opened. This tile covers 2 rooms and overlaps a third room to make one large room. When a Hero attempts to leave this room, he must first roll 1d6 to see which door he will use to exit.

If he rolls a 1 or 2, he exits through door 1. If he rolls a 3, he exits through door 2. If he rolls a 4 or 5, he exits through door 3. If he rolls a 6, he exits through door 4.

The first Hero to search for treasure in this room will find a vial of Sacred Water behind a large book in the cupboard. This liquid may be used to destroy any regular Skeleton, Zombie or Mummy.

This chest contains 300 Gold Coins. It also has a poison needle trap on it. If a Hero searches for treasure in this special room before the trap has been disarmed, he will lose 3 Body Points.

If a Hero searches for treasure in this room, ask him if he wishes to pry open the tomb of a great warrior. If he says yes, a sparkling mist fills the room as the tomb is opened. No Body Points are lost, but any Hero in this room (or any Hero who later enters) with Borin’s Armor or the Orc’s Bane will see those weapons crumble into powder. (Of course, don’t tell the Heroes this until after it happens.) There is no treasure in the tomb.

The Skeletons in these 4 rooms are the Spirit Riders. Their stats are as follows:

Wandering Monster in this Quest: Zombie
At the beginning of the Quest, the Death Mist tile is placed on the gameboard as shown next to the square marked “A”. This mist is a breath of Chaos which will harm all who are not evil. The Death Mist tile moves up to 6 squares on each of your (Zargon’s) turns and can only move within the shaded corridors.

When the Death Mist tile passes over a Hero, he loses 1 Body Point. The mist may affect 1 or more Heroes each time it is moved on your (Zargon’s) turn. It will not affect monsters.

The mist cannot move onto the same square twice in 1 turn. It also cannot end its turn on the same square with a Hero. (If this happens, the Death Mist tile must stop short on the square in front of the Hero.)

The mist is not affected by normal weapons. It can only be destroyed by a Tempest spell or by the Spirit Blade. (Don’t tell this to the Heroes!)

The chest has a trap on it. If a Hero searches for treasure in this room before the trap has been disarmed, he will lose 1 Body Point from a dart that shoots out from the wall. This chest contains 2 Magical Throwing Daggers. (See the new Artifact Card.) The daggers may be divided between 2 Heroes.

The first Hero to search for treasure in this room will find 100 Gold Coins in the chest. He will also find a Potion of Healing which will restore up to 4 lost Body Points.

If the Spirit Blade was lost in a previous Quest then it can be found in the tomb. (See Artifact Card in the Game System.) If one of the Heroes already carries the Spirit Blade, then the tomb is empty.

Wandering Monster in this Quest: Skeleton
The 4 magical rooms marked with an “A” were built to protect King Agrain’s secret laboratory. Each room is guarded by a Mummy. If one of these Mummies is killed, immediately remove the door that’s marked with the arrow from the same room as the Mummy just killed.

This is the magical laboratory of King Agrain. The first Hero to search for treasure in this room will find 2 spell scrolls: *Fire of Wrath* and *Ball of Flame*. He will also find 4 gold keys on the bench. They are the Keys of Agrain. If these keys are found by a Hero, Zargon must immediately replace any doors that were removed when Mummies were killed. The 4 keys are each worth 200 Gold Coins. They may be divided among the Heroes. The Mummies in this Quest will not attack anyone holding one of the keys (but don’t tell the Heroes this). Skeletons and Zombies will still attack.

“The Halls of Vision

“King Agrain was one of the greatest of all rulers in a time before Chaos. Although he was a powerful and feared warrior, he was also known for his fairness. Agrain dabbled in magic and created the Halls of Vision, a maze of magical rooms. The secret of the Halls lies in the Keys of Agrain. You must find these valuable Keys and reach the safety of the wooden exit door.”

NOTES:

Wandering Monster in this Quest: 🐛 Mummy
The first Hero to search for treasure in this room will find 500 Gold Coins in each chest. In the room (once per turn) after he has attacked, he rolls 6 Combat Dice. For each Skull rolled, the defender loses 1 Mind Point. If a Hero is reduced to zero Mind Points in this situation, he is not killed but knocked unconscious. The Hero should be removed from the gameboard until the next Quest.

Bellthor also has poisonous breath and will breathe on any 1 Hero in the room (once per turn) after he has attacked. To do this, he rolls 6 Combat Dice. For each Skull rolled, the defender loses 1 Mind Point. If a Hero is reduced to zero Mind Points in this situation, he is not killed but knocked unconscious. The Hero should be removed from the gameboard until the next Quest.

If Bellthor is killed, he will explode, filling the room with poisonous gas which will knock everyone in the room unconscious.

All of the Heroes have now been captured by the Witch Lord! There is no successful way to exit from this adventure. (A Ring of Return will not work here.) Turn to the next Quest.
They should not be placed on the gameboard until either the Wizard or Dwarf opens the door to this room. The Barbarian and Elf are chained up and all of their weapons, Artifacts, potions, gold and gems have been taken. Both Heroes start with full Body Points and the Elf has his Spells. As soon as the Wizard or Dwarf enters this room, the Witch Lord curses them and disappears amidst a howling storm. The Barbarian and Elf are then free and may move normally.

A Place the Wizard and Dwarf in this room at the beginning of the Quest. Place a closed door where shown. Explain to the 2 Heroes that this is their prison cell. Tell them that Mentor has just cast a powerful spell and the cell door has burst open. Then replace the closed door with an open door. Tell the Wizard and Dwarf that any weapons, Artifacts, Spells and potions that they owned are on the floor outside the door, but their gold and gems are gone. They must cross off any gold or gems that are on their Character Sheets. Both Heroes start with full Body Points.

B This is the Hall of the Witch Lord. The Barbarian and Elf start in this room on the spaces marked.

C The first Hero to search this room will find the Barbarian’s and Elf’s weapons, Artifacts and potions in this chest. However, their gold and gems have been stolen and should be crossed off their Character Sheets.

D Do not place the spiral stairway on the gameboard until one of the Heroes looks into this room.

Wandering Monster in this Quest: Skeleton
Skulmar stands on the space marked “C”. Use the Chaos Warlock to represent Skulmar. His stats are as follows:

When a Hero opens this door, place monsters where shown in the room. Explain to the Heroes that these monsters are the Forgotten Legion, the elite of the Witch Lord’s army. They are led by Skulmar. In combat they are to be feared, for they bear the scars of a thousand battles, each one a victory for Chaos. You will be safe only when you find the wooden exit door.”

NOTES:

The Heroes enter on the spiral stairway.

A When a Hero opens this door, place monsters where shown in the room. Explain to the Heroes that these monsters are the Forgotten Legion, encased in a magical ice that cannot be broken with any weapon.

B When a Hero opens this door, the magical ice will shatter and the Forgotten Legion will move to attack on your (Zargon’s) turn. (Don’t tell the Heroes this until after the door has been opened.)

C Skulmar stands on the space marked “C”. Use the Chaos Warlock to represent Skulmar. His stats are as follows:

<th>Body</th>
<th>Mind</th>
</tr>
</thead>
<tbody>
<tr>
<td>8</td>
<td>5</td>
<td>6</td>
<td>3</td>
<td>4</td>
</tr>
</tbody>
</table>

If the Heroes are destroying a lot of the monsters, Skulmar should try to escape. To do this, he must reach the spiral stairway, at which point he is removed from the gameboard. If Skulmar is killed, the Heroes will find his treasures: the Rabbit Boots (new Artifact Card) and the Pass Through Rock spell scroll.
The first Hero to search for treasure in this room will find the Heal Body and Courage spell scrolls on the sorcerer’s table. The scrolls may be divided between 2 Heroes.

This chest is trapped with a poison needle. If a Hero searches for treasure in this room before the trap has been disarmed, he will lose 3 Body Points. The chest contains 2 shortswords and 2 longswords. These weapons are exactly like the ones described in the Game System Armory. They may be divided among the Heroes.

“No man has ever entered the Forbidden Caverns before. Even Loretome can tell little of what lies before you. It is said that the passages are filled with the walking dead, mindless servants of Zargon. You must also be wary of the caverns themselves, for they are ready to collapse at any time. You must find the wooden exit door to continue your Quests.”

The Heroes enter on the spiral stairway.

At the beginning of each of your (Zargon’s) turns, you may pick 2 Skeletons, Zombies, or Mummies that are available and place them on any two of the spaces marked with an “X”.

The first Hero to search for treasure in this room will find 360 Gold Coins in this chest. He will also find 2 Anti-poison Quills. (See the new Artifact Card.) The quills may be divided between 2 Heroes.

This chest is empty.

**Quest 9: The Last Gate**

“This, my friends, is the last gate before you reach the Court of the Witch Lord. The passages beyond the gate are guarded by Chaos Warriors from the Doomguard. Beware! They are more powerful than other Chaos Warriors that you have already defeated. They stand guard here in the chambers of Kessandria, the Witch Queen. You must find the spiral stairway which leads directly to the Witch Lord.”

**NOTES:**

A. This is the abode of 3 Doomguard Chaos Warriors who have the following stats:

<table>
<thead>
<tr>
<th>Movement</th>
<th>Attack</th>
<th>Defend</th>
<th>Body</th>
<th>Mind</th>
</tr>
</thead>
<tbody>
<tr>
<td>6</td>
<td>4</td>
<td>6</td>

</tr>
</tbody>
</table>

The first Hero to search for treasure in this room will find 240 Gold Coins in the chest. He will also find an Arm Band of Healing. (See the new Artifact Card.)

B. The Chaos Warrior in this room has the same stats as the ones in the room marked “A”. The first Hero to search for treasure in this room will find 2 Magical Throwing Daggers on the weapons rack. (See the new Artifact Card.) The daggers may be divided between 2 Heroes.

C. This is the chamber of Kessandria, the Witch Queen. She is immune to all spells except Fire spells. She has the following stats:

<table>
<thead>
<tr>
<th>Movement</th>
<th>Attack</th>
<th>Defend</th>
<th>Body</th>
<th>Mind</th>
</tr>
</thead>
<tbody>
<tr>
<td>6</td>
<td>4</td>
<td>6</td>

</tbody>
</table>

Kessandria also knows the following Chaos spells: **Lightning Bolt**, **Tempest**, **Fear**, **Sleep** and **Cloud of Chaos**. She has a Potion of Speed which will allow her to move 12 squares on the turn in which she drinks it. If Kessandria’s Body Points are greatly reduced, she should attempt to escape by going through the secret door (which she can open) and by trying to reach the spiral stairway. As Kessandria retreats, she may place open doors as needed on the gameboard (as shown on the Quest map). If she succeeds in escaping remove her from the gameboard.

**Wandering Monster in this Quest:** Chaos Warrior
Use the Chaos Warlock figure to represent the Witch Lord and place him on the square marked “C”. The 2 Chaos Warriors in this room are These 4 Orcs are magical statues which do not move and cannot attack members of the Doomguard and their stats are listed in the previous or be harmed. They completely block the corridors. The cannot be climbed over or passed. If a Hero attacks any of these statues, his weapons will break (even a magical throwing dagger or crossbow will break). He then loses that weapon and must cross it off his Character Sheet. The only exception to this rule is the Spirit Blade, which is so powerful that it will not break. However, it still will not harm the statue.

The first Hero to search for treasure in this room will find 2 Potions of Healing in the chest. Each potion will restore up to 4 lost Body Points. The Spirit Blade, the Fire of Wrath spell, the Ball of Flame spell and the Magical Throwing Dagger. The Witch Lord knows the following Chaos spells: Summon Undead, Firestorm, Tempest, Lightning Bolt, Fear and Command. If the Witch Lord is killed, read aloud the text on the next page.

The Witch Lord can only be harmed by 4 things at this time: The Spirit Blade, the Fire of Wrath spell, the Ball of Flame spell and the Magical Throwing Dagger. The Witch Lord knows the following Chaos spells: Summon Undead, Firestorm, Tempest, Lightning Bolt, Fear and Command. If the Witch Lord is killed, read aloud the text on the next page.

The first Hero to search for treasure in this room will find 500 Gold Coins in a secret compartment under the stone. The only exception to this rule is the Spirit Blade, which is so powerful that it will not break. However, it still will not harm the statue.

Here the Witch Lord awaits the final conflict. Place the large Throne room tile in this room only after a Hero opens the door to the room.

The Court of the Witch Lord

“The Witch Lord has watched your progress. He has tried repeatedly to destroy you but you have thwarted him every time. Now he has fled to his throne room. There you must do battle with him. This time there must be no escape for him.”

NOTES:

y friends, we have much to be thankful for. The Witch Lord has been defeated and his army of undead remains asleep under the earth. The magic that controlled them has now been weakened. Yet this victory could herald our downfall if we relax our efforts.

Now that the enemy is weaker, we must be all the stronger. The minions of the Witch Lord who escaped will surely seek revenge on those who defeated their master.

Loretome has shown me that Skulmar, who we believed to be slain, has escaped from the ruins of Kalos with many of the Witch Lord’s most powerful spell books. I fear that it will not be long before you will have to confront Skulmar and attempt to end his threat forever.

But for the present you have earned yourselves a rest. So come, my brave Heroes! The Emperor awaits you in the Grand Palace. Tonight you are to be honored for your incredible feats of heroism.
